REMINDER FOR PARENTS

Participants for classes that do not meet minimum enrollment (75% full) will be contacted with options to convert class into a semi-private instruction, private instruction, or move to another time slot.

For children less than age five who are just learning to swim, a minimum of two sessions of repeated lessons is recommended. Please alert the instructor before the first class if there are any special needs or other situations that may help us enhance your child's learning experience.

Classes are taught by American Red Cross certified and trained instructors. Due to high demand we do not offer make-ups unless noted or canceled by CRPD. Lessons are held rain or shine. If lessons are canceled due to inclement weather, all participants will be contacted.

AMERICAN DISABILITY ACT (ADA) COMPLIANCE: MISSION STATEMENT

Conejo Recreation and Park District (CRPD) strives to enrich quality of life through the provision of quality recreation programs. We welcome people with disabilities in all recreation opportunities provided by CRPD, both through specialized options (Therapeutic Recreation) and inclusion alternatives.

Please contact Devon Herbert at 805-381-2739 or Inclusion@crpd.org for further information on program choices, for help with making a selection, or to request a program modification. In order to evaluate and seek to reasonably accommodate your individual needs, we ask that you let us know of any requested modifications at the time of your registration.

ADA GRIEVANCE PROCEDURE

CRPD has developed an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by the United States Department of Justice regulations implementing Title II of the Americans with Disabilities Act (ADA).

Complaints should be addressed in writing to ADA Compliance Officer, Conejo Recreation and Park District, 403 W. Hillcrest Drive, Thousand Oaks, CA 91360 or by email at ADACompliance@crpd.org

- A complaint should contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.
- Complaint should be filed within 30 days of the alleged violation.
- CRPD will conduct an investigation and notify the complainant of its findings within 30 days from receiving the written complaint.

Use of this grievance procedure is not a prerequisite to the pursuit of other remedies. CRPD strives to have all participants enjoy their experience in our programs and works to handle all concerns in a timely and fair manner.
